

MEASO 4.8 Acknowledgements

This page provides example text for inclusion in acknowledgement sections of papers to help acknowledge funding bodies, supporters, stakeholders and for tracing the impact of MEASO.

For core papers in the MEASO eBook in Frontiers in Ecology and Evolution (& Marine Science & Environmental Science):

The following should be in all papers:

"This work is a core contribution to the first Marine Ecosystem Assessment for the Southern Ocean (MEASO) of IMBeR's program ICED."

If you received support from the MSG or the Steering Committee then please edit the following as appropriate to that support:

"We thank the MEASO Support Group and Steering Committee for assisting with figures, coordination and editing of the text."

If the paper has been given support from the MEASO fund then the following is needed:

"We are grateful for support to publish this paper from The Pew Charitable Trusts."

For papers subsequent to the MEASO eBook in Frontiers in Ecology and Evolution (& Marine Science & Environmental Science):

"This work has been informed by the assessment process and/or results of the first Marine Ecosystem Assessment for the Southern Ocean (MEASO)"
